“Agricultura española en el marco internacional y comunitario: Composición y determinantes del endeudamiento”, Second Prize for the Second Edition of the Research Prizes of the Fundación Social de Caja Rural Valencia, Valencia.(1999)

“¿Es rentable diseñar productos ecológicos?”, Second Prize in the Third Edition of the Research Prizes of the Consejo Social Universitat Jaume I, Castellón.(2000)

#### GRANTS AND PROJECTS

**European Union** Euro 1,5 M  
*Living Standards, Inequality and Taxation*, Framework Programme Strep, 1998-2003.  
Director of the project Prof. Patric Moyes (Universite de Bordeau IV).

**Comunidad de Madrid and UAM** Euro 28,000  
*La Política Medioambiental como Incentivo para la Adopción de Tecnologías de Producción más Limpias*, 2005-2006.  
Director of the project Prof. José Luis Zofío (Universidad Autónoma de Madrid).

**Thyssen Foundation** Euro 80,000  
*Environmental Policy Instruments and Technological Change: an Experimental Approach*, 2007-2009.  
Director of the project Prof. Till Requate (Kiel University) and Eva Camacho (Universidad Autónoma de Madrid).

- Comunidad de Madrid and UAM** Euro 25,000  
*Análisis Experimental del Comportamiento Esratégico de las Empresas en la Determinación de la Política Medioambiental*, 2008-2009.  
 Director of the project Prof. Eva Camacho (Universidad Autónoma de Madrid).
- Spanish Ministry of Science and Technology** Euro 65,000  
*Política Ambiental y Comportamiento Esratégico de las Empresas: Teoría, Experimentos y Simulación*, 2009-2011.  
 Director of the project Carmen Arguedas (Universidad Autónoma de Madrid).
- Bancaixa Foundation and Universitat Jaume I** Euro 27,000  
*Análisis del Mercado de Derechos de Emisión de CO2: Un Enfoque Experimental y Computacional*, 2010-2012.  
 Director of the project Eva Camacho-Cuena (Universitat Jaume I).
- University Sains Malaysia** Euro 23,000  
*Flexible Mechanisms of Pollution Control and Climate Policy: Theoretical Developments and Experimental Tests*, 2010-2012.  
 Director of the project Prof. Ch'ng Kean Siang (University Sains Malaysia).
- World Health Organization** Euro 20,000  
*Investing in eye-health a political analysis of policy makers*, 2011.  
 Director of the project Prof. Eva Camacho (Universitat Jaume I) and Prof. Piergiuseppe Morone (Foggia University).
- Bank of Spain** Euro 500,000  
*Research and Education Excellence Program: Computational Economic Professorship*, 2011-2016.  
 Director of the project Prof. Simone Alfarano (Universitat Jaume I).
- Spanish Ministry of Science and Technology** Euro 78,000  
*The role of public information in markets: An experimental and computational approach*, 2012-2014.  
 Director of the project Prof. Simone Alfarano (Universitat Jaume I).
- Universitat Jaume I** Euro 40,000  
*Riesgo Sistemico e Información Pública en el Sector Financiero: Experimentos y Simulaciones*, 2013-2015.  
 Director of the project Eva Camacho-Cuena (Universitat Jaume I).

#### CONFERENCE ORGANIZATION

**IMEBE 2012**(International Meeting on Experimental and Environmental Eco-

nomics), March 2012 in Castellón, member of the local organizing committee.

8th **Artificial Economics**, September 2012 in Castellón, member of the local organizing committee.

**NAIM 2013**(Network Approaches for Interbank Markets), May 2013 in Castellón, member of the organizing committee.

World Economy: 1998, 1999, 2000, 2001, 2002 (undergraduate level)

Game Theory: 2001, 2002 (graduate level)

Labor Economics: 2001, 2002 (graduate level)

Microeconomics I: 2009, 2010 (undergraduate level)

Microeconomics II: 2009, 2010, 2011, 2012 (undergraduate level)

Introductory Microeconomics: 2010, 2011, 2012, 2013 (undergraduate level)

Microeconomics: 2012, 2013 (undergraduate level)

Experimental Economics: 2013 (undergraduate level)

### **Christian-Albrechts-Universität, Kiel**

Experimental Economics: 2002, 2003, 2004, 2005 (Seminar, graduate and PhD program)

### **Universidad Autónoma de Madrid**

Introduction to Economics: 2005, 2006, 2007 (undergraduate level)

Microeconomics I: 2007, 2008, 2009 (undergraduate level)

Experimental Economics: 2006, 2007, 2008, 2009 (graduate level)

## PUBLICATIONS (*books*)

“¿Es rentable diseñar productos Ecológicos? El caso del Mueble”, with N. Georgantzís, M.R. Vidal and M.D. Bovea, *Athenea*, 8, Publicacions de la Universitat Jaume I, D. I., 2002. (pp. 231)

PUBLICATIONS (*journal articles*)

“An Experimental Test of Response Consistency in Contingent Valuation”, with A. García Gallego, N. Georgantzís and G. Sabater Grande, *Ecological Economics*, 47, pp. 167–182, 2004.

“An Experimental Validation of Hypothetical WTP for a Recyclable Product” with A. García Gallego, N. Georgantzís and G. Sabater Grande, *Environmental and Resource Economics*, 27, pp. 313–335, 2004.

“Buyer–Seller Interaction in Experimental Spatial Markets” with A. García Gallego, N. Georgantzís and G. Sabater Grande, *Regional Science and Urban Economics*, 35, pp. 89–108, 2005.

“Comparing Preference Reversals for General Lotteries and Income Distributions”, with C. Seidl and A. Morone, *Journal of Economic Psychology*, 26, pp. 682–710, 2005.

“On the Role of Heterogeneous and Imperfect Information in Laboratory Financial Markets”, with I. Barreda and S. Alfarano, *Central European Journal of Operations Research*, 14, pp. 417–433, 2006.

“Mercados Financieros en el Laboratorio en Presencia de Información Heterogénea e Imperfecta” with I. Barreda and S. Alfarano, *Cuadernos Aragoneses de Economía*, 17, pp. 275–298, 2007.

“Retailers Strategic Choice in a Vertically Differentiated Market” with A. García Gallego, *Cuadernos Económicos del ICE*, 76, pp. 39–56, 2008.

“A Framed Field Experiment on Collective Enforcement Mechanisms with Ethiopian Farmers” with T. Requate and A. Reichuber, *Environment and Development Economics*, 14 (5), pp. 641–663, 2009.

“Comercio de derechos de emisión, adopción de tecnología y heterogeneidad de industrias: Un enfoque experimental” with T. Requate, I. Waichman and J.L. Zofío, *Cuadernos Económicos del ICE*, 77, pp. 71–94, 2009.

“Environmental Policy Instruments: Technology Adoption Incentives with Imperfect Compliance” with C. Arguedas y J.L. Zofío, *Environmental and Resource Economics*, 47(2), pp. 261–274, 2010.

“Collective and Random Fining versus Tax/Subsidy Schemes to Regulate Non-Point Pollution: An Experimental Study” with T. Requate, *Ecological Economics*, 73, pp. 179–87, 2012.

“Dynamic Investment Incentives under Emission Trading: An Experimental Study”

with T. Requate and I. Waichman, *Environmental and Resource Economics*, 53, pp. 229-49, 2012.

#### BOOK CONTRIBUTIONS (*edited volumes, proceedings, special issues, etc.*)

“Managing Market Complexity: The Approach of Artificial Economics”, A. Teglio, S. Alfarano, E. Camacho and M. Gines Editors, Springer, 2012.

“Estimation of a simple genetic algorithm applied to a laboratory experiment” with S. Alfarano and J. Domènech, *Combining Soft Computing and Statistical Methods in Data Analysis*, edited by C. Borgelt, G.G. Rodríguez, W. Trutschnig, M.A. Lubiano, M.A. Gil, P. Grzegorzewski, O. Hryniewicz, Springer, 23-31, 2010.

“Heterogeneous and Imperfect Information in an Experimental Asset Market” with I. Barreda and S. Alfarano, *Bounded Rationality in Economics and Finance*, edited by C. Richter, LIT Verlag, 39-56, 2007.

“Lorenz Meets Rating but Misses Valuation” with C. Seidl, *Risk and Uncertainty: Mental, Formal and Experimental Representations*, edited by M. Abdellaoui, R.D. Luce, M. J. Machina and B. Munier, North Holland, 2007.

#### COMPLETED PAPERS

“Inequality Measurement Reconsidered: Leaky Buckets Versus Compensating Justice” with T. Neugebauer and C. Seidl, Economic Working Paper University of Kiel.

“The role of public and private information in a laboratory financial market”, working paper WP-AD 2011-06, with S. Alfarano and A. Morone.

“Reciprocity Across Countries: Evidence from a Gift-Exchange Experiment”, with T. Requate, I. Waichman, C. K. Siang, A. Shafran, Y. Idavi and S. Shahraban

“Raising policy priority for avoidable blindness: A stakeholder analysis for low and middle-income countries”, with P. Morone, N. Banatvala and I. Kocur.
